It all came to a head, Rerally, when Barble was putting a title makeup on the guy who had been hired that day. She was so blown away by him that she select herself, Why aver't 🤜 I fucking this guy? I could do betier than that bitch who's scheduled in ... here today. And then, as luck would have it, the regular model called in at the last moment to say she couldn't. make it. "Don't worry," Barble told ... the girl. "I would really hale to see ihis guy go to waste. I'll do iti" 🦽

So Barbie abandoned her makeup table and took the scheduled model's in place, because she couldn't wait to fuck the stud who was hired for the day!

As Barble would say later, 🧍 she couldn't believe that she lost her head like that and just jumped right into X-rated modeling on an impulse. But she didn't regret it. As she 🦂 told us later, "He's the sort of really sexy guy who never pays any attention to me because he's tooking for girls more his type. But I wented to fuck him real bad-plus, I really needed the extre -money." So just when it -looked like our photographer was going to have to scuttle the session, Barbie said, "Let me do it. Besides, i know i'm better than that other bitch." Our photographer was a little skeptical at first, because it's always difficult to do a good shoot with a brand new girl. But Barble had watched enough sessions to know 🐣 all the do's and the don'ts ... of having sex in front of a st# camera. And when she threw herself into the action, her riatural attraction for the guy made her forget her nervousness. Our photographer was duly impressed. Barble did the session like a pro.

From now on, Barbie will be making double pay on photo shoots—doing the makeup, then sucking lots of cock and getting fucked in front of the camera!

News travels fast in the pomo business As soon as our old pal Nicole Sheridan found out we were shooting a custom session with Jewel De Nyle (last month's Queen of De Nyle featuring one of the hottest DPs we ve ever run). Nicole was on the phone to our editor demanding to know why we weren't doing a DP extravaganza with her. "What am / chopped liver?" she indignantly asked us. "Why don't you shoot me doing one of my sex fantasies? guarantee that you'll forget Miss De Nyle!"

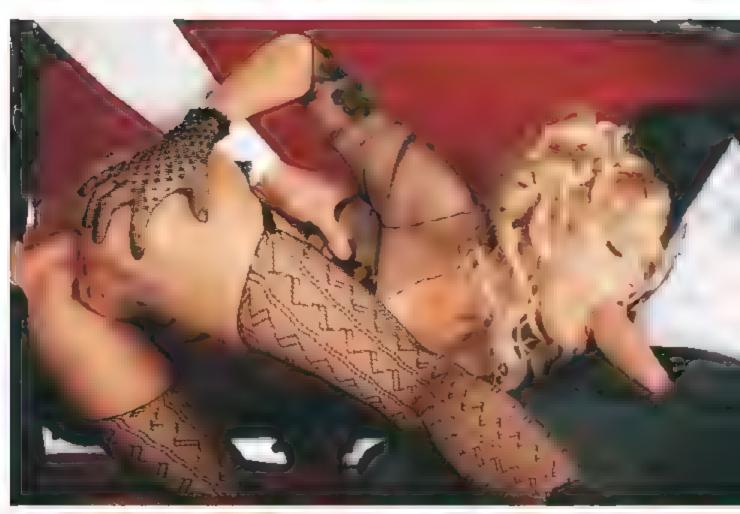

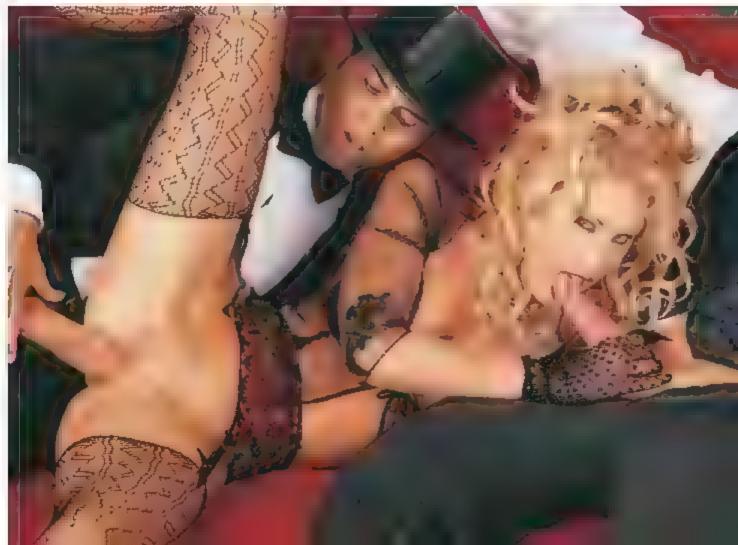

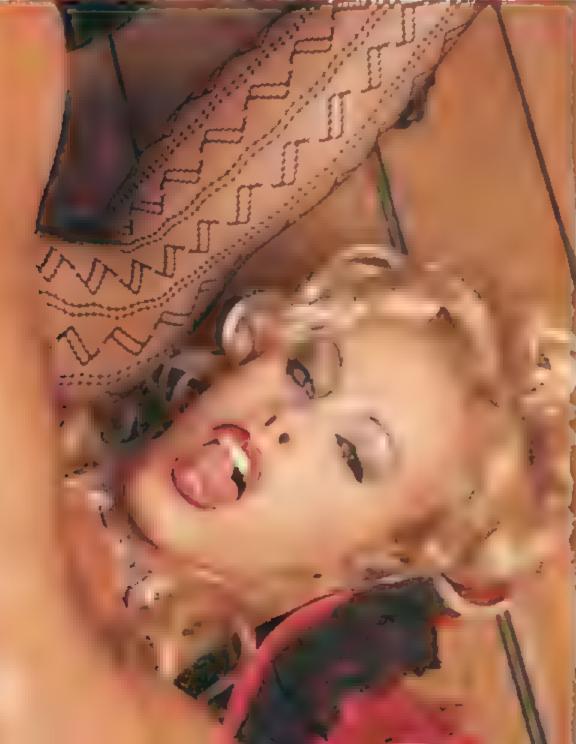

Whereas Jewel s sex fantasy took piace in ancient Egypt, Nicole was more interested in the Victorian era of only a hundred years ago " ove the dea that sex was so repressed in those days," she said "Women dressed up in all those ornate clothes and acted like sex did not even exist. But f you got them behind closed doors watch out. think sex was probably more fun then because it was actually dirty and forbidden 1 mean it's fun being a total slut which Lam but I think maybe if I was a sexual prude who suddenly found herself getting DP'd t would be a lot more deliciously enjoyable!"

on the set dressed in her Victorian finary she said she felt like she was on a kind of pedestal waiting for her two studs Voodoo and Joey Ray to yank her down from her lofty perch and totally ravish her with their cocks and make her feel dirty "One of the problems about being a complete sexual being like am you don't think of sex as being dirty anymore and so you lose that sense of violation which can give sex an extra spice If you see two big cocks fucking me in my pussy and my ass that sinot the same as watching the sweet innocent girl next door getting DP'd right? Well m just trying to feel like. I m a virgin again want to start off pure and then I want both guys to just fuck me like I'm the nastiest dirtiest Ittle whore in the world!"
